## MESSAGE TO THE GRADUATING CLASS OF 1994

You must now face the world and all of its challenges and be judged by your efforts alone. I sincerely hope that we at Weequahic High School have prepared you for this.

As you face this new stage in your life, I hope that you will be successful. I also hope that you walk with pride, dignity, and self-respect. TO THE GRADUATING CLASS OF 1994

Commencement day for you in June is not the end; it's only the beginning. In today's society, we don't need as many traditional workers. We don't need as many traditional managers. What we need are people who can think. People who can learn quickly, to do different things in different ways. The one guaranteed requirement in the future for any job that you would want to have, is that you must know *how* to learn. If at Weequahic you have been taught how to learn, then the school has done all for you that it reasonably could in the modern world. In essence, your diploma is your "learner's permit." Don't leave home with out it!

CONGRATULATIONS!

# GUIDANCE SERVICES

## WHERE DID THE YEARS GO?

My employment, as a Guidance Counselor in Weequahic High School, began in the 1972-73 school year.

As I reflect upon the years, I have many memories —not only of the people with whom I have worked but also of the varied changes in personnel, school policies, curricula offerings and the school milieu.

It has been a constant challenge to assist adolescents in clarifying values, making choices and setting goals. Realistically, I know that I have not reached each student who was assigned to me but gratification has come from former students who, while in high school, were not shining stars but have expressed appreciation and become mature, responsible and concerned young adults.

HOW WILL I MISS MY GUIDANCE FAMILY? Let me count the ways - our comradeship which included disagreements, laughter support; birthday celebrations, the "teasing" about my cluttered desk and "those" departmental meetings. To my other co-workers — "CONTINUE TO PERSEVERE"— someone will remember that you cared. May the blessings continue for each of you.

"Wise men have come to you to give you of their wisdom. I  
came to take of your wisdom:  
And behold I have found that which is greater than wisdom.  
It is a flame spirit in you ever gathering more of itself,  
While you, heedless of its expansion, bewail the withering  
of your days.  
It is life in quest of life" . . . .

## My Last Will and Testament

If I have a legacy to leave my people, it is  
my philosophy of living and serving.

Here, Then, is My Legacy. . .

I leave you love. Love builds.  
It is positive and helpful.

I leave you hope. Yesterday, our ancestors  
endured the degradation of slavery, yet they  
retained their dignity.

I leave you the challenge of developing  
confidence in one another. This kind of  
confidence will aid the economic rise of  
the race by bringing together the pennies  
and dollars of our people and ploughing them  
into useful channels.

I leave you thirst for education. Knowledge  
is the prime need of the hour.

I leave you a respect for the uses of power. Power,  
intelligently directed, can lead to more freedom.

I leave you faith. Faith in God is the greatest power,  
but great, too, is faith in oneself.

I leave you racial dignity. I want Negroes to  
maintain their human dignity at all costs.

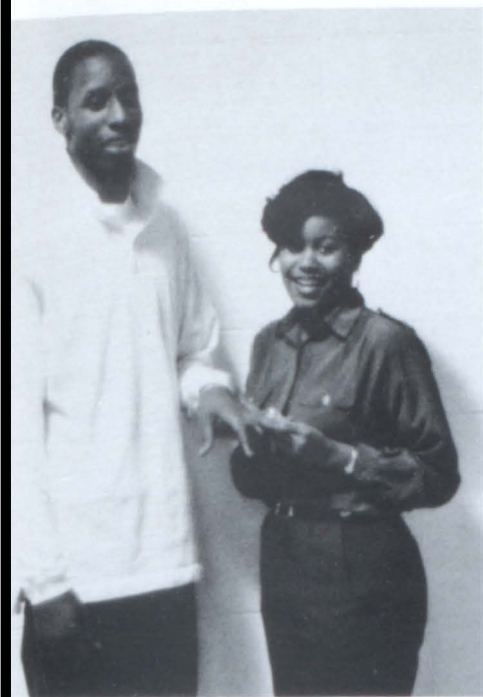

I leave you a desire to live harmoniously  
with your fellow man.

I leave you, finally, a responsibility to our  
young people. The world around us really belongs to  
youth for youth will take over its  
future management.

# IN LOVING MEMORY OF . . . .

## DIANE CUNNINGHAM

"The Almitra spoke, saying, We would ask now of Death.  
And he said:

You would know the secret of death.

But how shall you find it unless you seek it in the heart of  
life?

The owl whose night-bound eyes are blind unto the day  
cannot unveil the mystery  
of light.

If you would indeed behold the spirit of death, open your  
heart wide unto  
the body of life.

For life and death are one, even as the river and the sea are one.

In the depth of your hopes and desires lies your silent  
knowledge of the  
beyond; And like seeds dreaming beneath the snow your heart  
dreams of spring.

Trust the dreams, for in them is hidden the gate to eternity.  
Your fear of death is but the trembling of the shepherd when  
he stands

before the king whose hand is to be laid upon him in honour.  
Is the shepherd not joyful beneath his trembling, that he shall  
wear the  
mark of the king?

Yet is he not more mindful of his trembling?

For what is it to die but to stand naked in the wind and to  
melt into the sun?

And what is it to cease breathing, but to free the breath from  
its restless

tides, that it may rise and expand and seek God  
unencumbered?

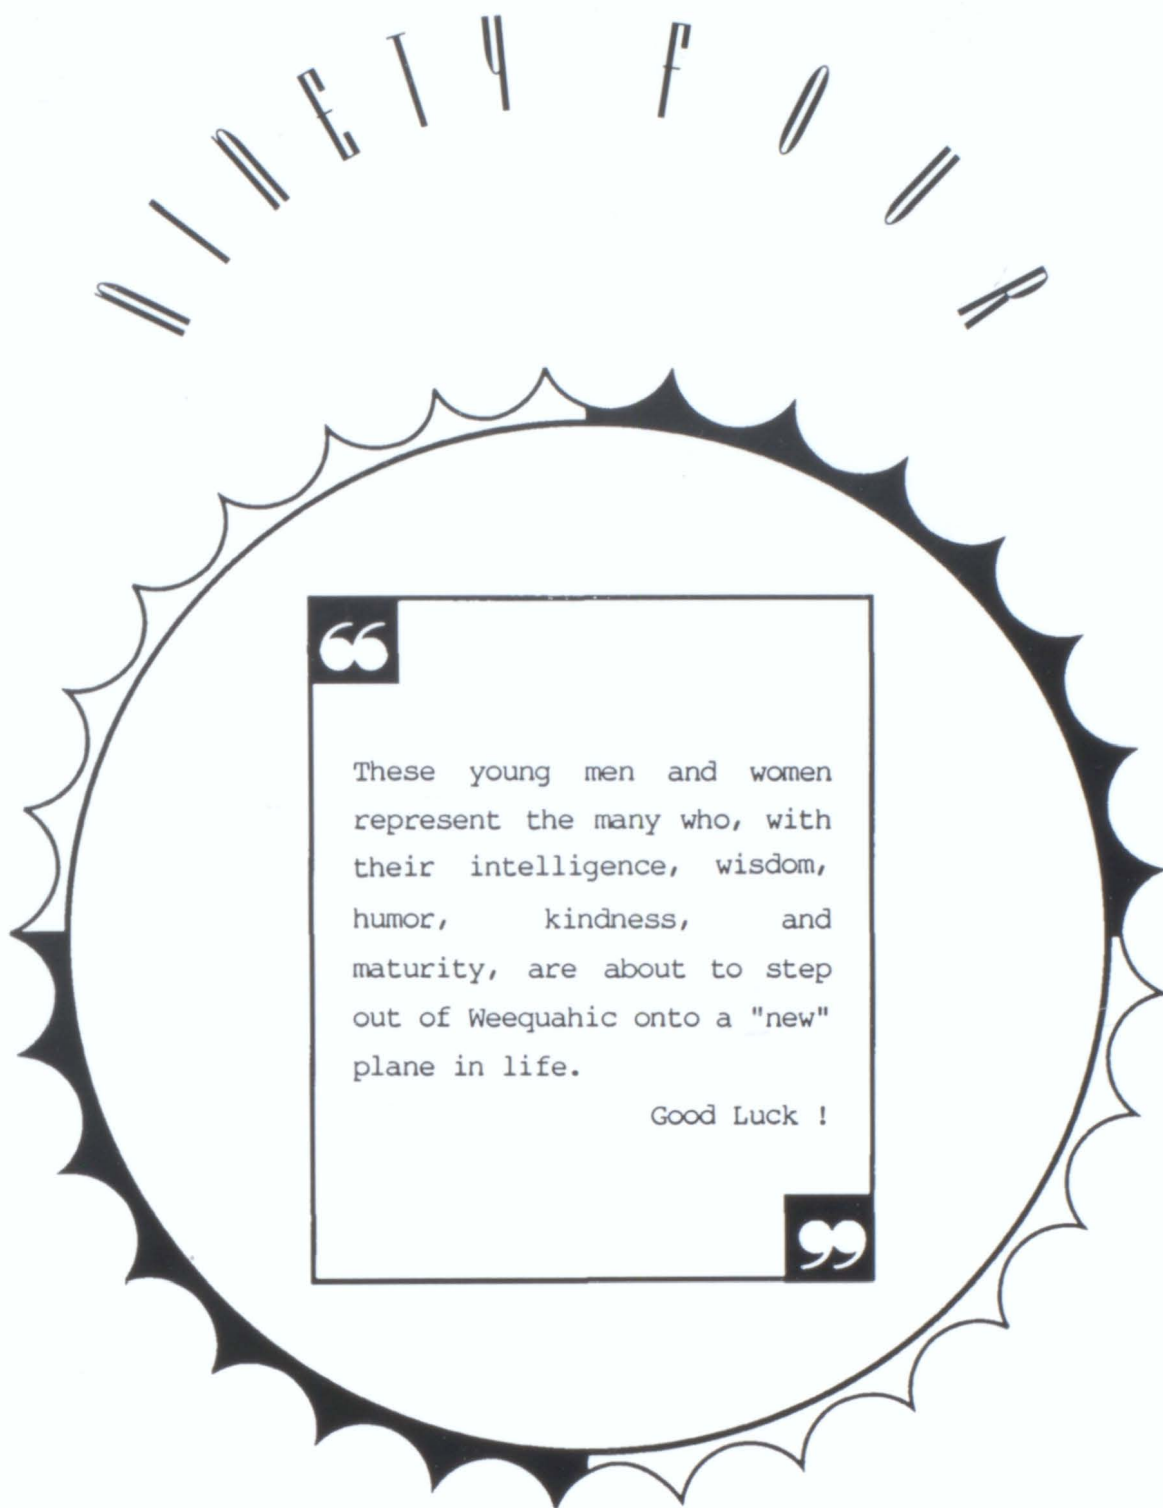

Only when you drink from the river of silence shall you  
indeed sing.

And when you have reached the mountain top, then you  
shall begin to climb.

And when the earth shall claim your limbs, then shall you  
truly dance."

K. Gilbran

“

These young men and women represent the many who, with their intelligence, wisdom, humor, kindness, and maturity, are about to step out of Weequahic onto a "new" plane in life.

Good Luck !

HAIL WEEQUAHIC

Oue challenge to the orange and brown  
As orange and brown we sway  
Undaunted our refrain is sung  
Weequahic will win the fray.

All hail our steadfast Indian host  
Of braver warriors none can boast.  
And we will fight to do or die,  
And win for you, our Weequahic High.

No one knows what tomorrow holds,  
But we will keep the faith alive.  
It's so hard to do when there are ups and downs,  
Yet, Weequahic taught us to strive.

So, hail to you fond Weequahic,  
We pledge our faith and honor true  
Your mighty name will loudly ring  
To Weequahic High, praises we sing.

From our fortress on the hill,  
Where we stand side by side.  
We sing your praises with a will,  
As family we rise !

From our fortress on the hill,  
Where we stand side by side.  
We will sing your praises with a will,  
As family we rise.

It's so hard, so hard to be an Indian,  
So hard to be an Indian, so hard to be an Indian,  
So hard to be a Weequahic Indian.

The 1993 WHS Homecoming parade was a great success. All Kings and Queens were accompanied by their families and friends. The parade commenced at 9am at the corner of Bergen Street and Mapes Ave. The parade route was followed by crowds of onlookers including parents, faculty, and students. Once on the field, the contestants were greeted by many well wishers from the bleachers and outside the field. It was a most beautiful day for a most deservant group of young men and women.

## MEDAL OF HONOR ADVENTURE

On Friday, January 31, 1994, Ekow Yankey, grade 12, was a presenter at the Society of the Saints John, a masonic-literary and educational organization under the aegis of the Grand Lodge of New Jersey. Mrs. Gladys Yankey, parent, was an invited guest.

Ekow is a member of the Explorers Club, Essex Council, BSA, here at Weequahic HS. On October 7 thru 10, 1993, he attended "The Medal of Honor Adventure" at Valley Forge, Pa. This event was sponsored by the Freemans Foundation, and all expenses were paid by the Society of the Saints John.

In his excellent talk, Ekow reflected on his interactions with four Congressional Medal of Honor awardees. He lively related their heroic actions pertinent to the conditions for which they were subsequently awarded with the highest recognition that their country could bestow- the Medal of Honor.

Members include: Mr. Soroko, advisor, Tonya Walker, Roberta Washington, Lauren Woods, Aneisha Wilson, Larisa Montgomery and Ekow Yankey.

The Explorers Club is under the stewardship of the Essex Council, Boy Scouts of America. It is a career awareness in-school program designed to give high school students, with teacher advisors, a diversity of presenters and field trips so that the enrollee would not be limited to heredity or environment when choosing a career.

## TELECOMMUNICATIONS CLUB

The purpose of this projected program is to make the student participant test-wise and employable. The program's major aim is to lead each enrollee to the mastery of those fundamental skills and habits which are indispensable for personal success in the telecommunications milieu.

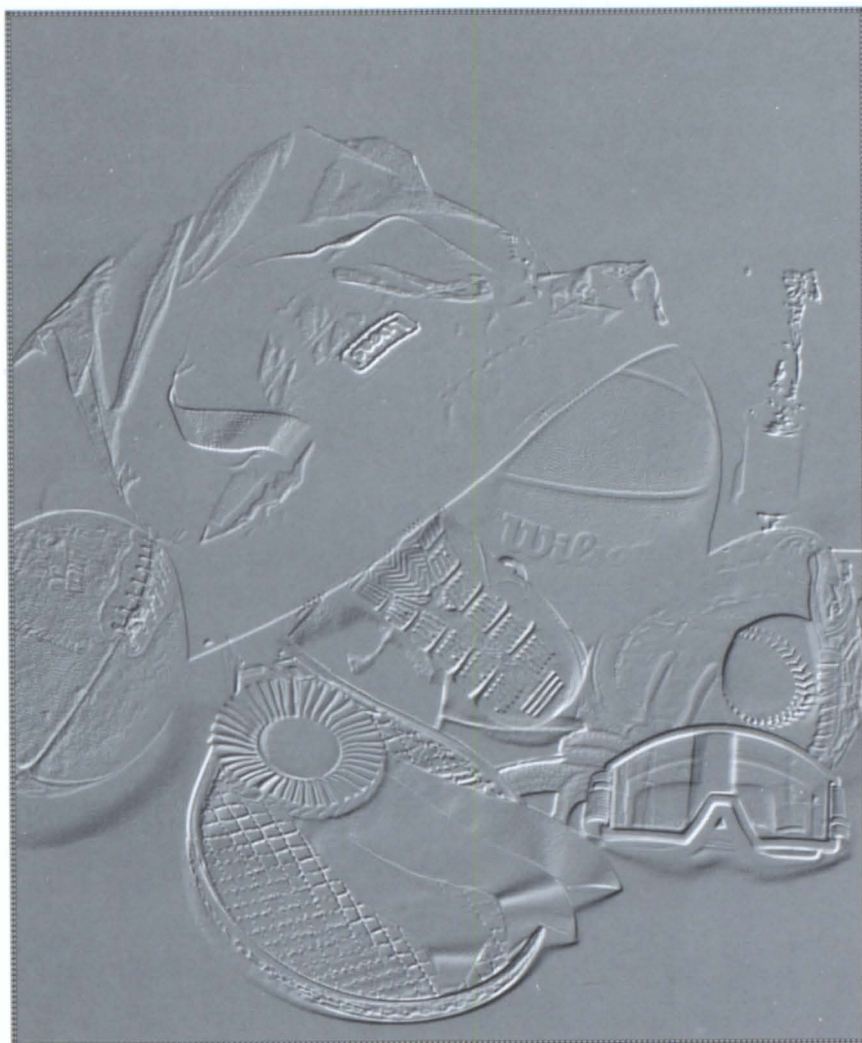

KOKIA "THE MAN" SHANKS

Kokia is well known for his blazing starts in the sprints. He is ranked among the top sprinters in the state for the past two years. This year, he led the state in the 200 meters up until the Easterns, when a leg cramp forced him to miss the National Championships. His name also appears next to N.J.'s elite runners in the 55 meters and the 400 meters, but the 200m is his pride and joy. He has received many scholarships and is on his way to making his mark.
